

Bradford SENDIASS

What we do?

Bradford SENDIASS is for parents and carers of children and young people 0-25 with special educational needs and disabilities (SEND) in the Bradford area - and for their children too.

The staff help parents and children to work together with schools and the local authority so that they have a good understanding of what support is needed and to make sure that it is put in place. We can also offer IASS around health and social care needs in relation to SEND.

Opening Hours - Monday to Friday 9am to 5pm

Response times - we will endeavour to respond to any message within 2 working days.

Bradford SENDIASS
